Orders need to be submitted by 5pm on the fourth Sunday of the month in order for the committee to fill them. The order form is on line and orders can be placed online, it is possible to bring the orders to ASC but there is no guarantee that they will be able to fill them onsite. In order to do this you will need to give your payment to the Treasurer then go to the Literature table and you be able to pick up your orders if the order was placed by the deadline if not you will be able to pick it up the following month. This was further explained.

Webmaster

The webmasters decided not going to buy the premium package for the website, as it was not necessary. Robert spoke with Steven about the issues that came up the Literature page and Steven will be attending to these issues.
